OPERATIONAL SUGGESTIONS

25X1A

REFERENCE: [REDACTED] **Para. C (3)**

1. The Clandestine Services Special Panel of the CIA Suggestion Awards Committee is responsible for considering and recommending awards for suggestions which relate to clandestine operations. These suggestions may consist, for example, of ideas as to new approaches for the [REDACTED] 25X1C
[REDACTED] ideas for new [REDACTED] operations, or ideas as to technical equipment or systems which will assist in our performance of clandestine activities.

2. Over the past several years, substantial cash awards have been given employees for useful operational suggestions. By far, most of the suggestions received by the Special Panel have been [REDACTED] 25X1C
[REDACTED] We encourage you to maintain the high level of interest shown in the [REDACTED] field. At the same time, however, we sincerely and urgently solicit your thoughts in respect to operations which might be usefully initiated or approaches which might be explored in furtherance of the secret intelligence [REDACTED] mission of the Agency.

3. In connection with our search for additional sources with [REDACTED] 25X1C
[REDACTED]

serious problems within or outside the bloc.
